- English (Fluent)
- Urdu (Native)

CERTIFICATIONS

Introduction to DevOps

Data Science

JavaScript

Crash Course on Python

JavaScript (Basics)

PROFILE

I am a dedicated software engineer who enjoys creating useful and interesting software. I have a strong interest in using my technical skills to build things that make a difference. I love learning new things and working with others on exciting projects. My goal is to grow in this field by solving real-world problems and helping make technology better for everyone.

WORK EXPERIENCE

Mars BPO Pvt. Ltd.   OCT 2024 – PRESENT
Python Developer

- Developed and maintained 5+ web and mobile apps using React Native and Python (Flask/Django), improving deployment time by 30%.
- Collaborated with cross-functional teams to build scalable solutions, resulting in a 25% increase in system reliability.
- Optimized backend codebase and debugging processes, reducing issue resolution time by 40%.

SOFTOO Pvt. Ltd. (Internship)   JUL 2023 – SEP 2023
Javascript Developer

- Completed intensive Node.js training and built RESTful APIs for 3 internal projects during the internship.
- Enhanced logical thinking and problem-solving by independently tackling coding challenges and debugging exercises.
- Contributed to a collaborative team culture by sharing solutions and improving peer review quality.
